Helping local people

Join our Grassroots Challenge today... **and make your giving grow for local causes**

Every year local charity, Devon Community Foundation, makes hundreds of grants to small grassroots community and voluntary groups which are doing life-changing work helping local people.

Now it's your chance to help us reach even more groups which touch local lives by joining our Grassroots Challenge.

Every donation or pledge you or your company make to Devon Community Foundation until September 2009 will receive a 100% top up.

That means for every £10 you donate now, an extra £10 is added. With gift aid, your £10 donation will grow to £25.

Your money will be used to build a £3 million Grassroots Endowment Fund for the whole of Devon. This makes sure your donation keeps on supporting local people and groups – today and always.

Join the Grassroots Challenge.... and make your local giving go further, last longer and do more for local people in need.

“There’s never been a better or more cost-effective way to give back to your local community and help local people”

Join the Grassroots Challenge today – and help local people and groups like these

Grassroots groups and Devon's volunteers are often forgotten. We make sure your money reaches local projects and groups where it will make the most impact.
